

September 2019

Dear Friends,

For me, August was a month of remembering. It was 78 years ago in August, at the age of 19 that I received the Lord Jesus Christ as my Savior. Later, 66 years ago, on August 15, I was married to Marguerite; and finally, some 30 years ago in August I moved to Sioux City, Iowa, to be a counselor at what was then the International Center for Biblical Counseling (ICBC). When the leadership changed and ICBC was moved to Indiana, I began our current Biblical Restoration Ministries. As a non-profit ministry, we are still helping those who are oppressed and in need of Biblical truth. Initially, we waited for people to call us and come to us for counseling, but now, the Lord has taken our ministry around the world and we are going to them. Our small staff (myself, Paul Jordan, and part time secretary, Ann Abbott) are now primarily involved in providing resources on our website.

These free resources (from a variety of Christian leaders) have extended to 237 countries/islands around the world, with over 13 million views to date. As the Lord taught how even a small mustard seed can become a large tree, so is the multiplication effect of these opportunities. Just in the last month, we learned that those watching our videos, shared them to other friends over 20,000 times. Only God can know the deeper, eternal result of all of this. We truly **give God the glory**, as this is only possible through the working of His Holy Spirit; and the faithful prayer and financial support of those of you, who are our dear friends in this ministry! Many of our early supporters have now retired or gone to be with the Lord. If you are not already doing so, we invite you to be one of our prayer and (if the Lord leads) financial partners in this ministry. We are seeking to make the most of each day until our Lord's return.

Won't you join us?

May the Lord's blessing be upon you!

Jim Logan
