Dear Friend,

We received a very encouraging note from one of our dear supporters. I would like to share it with you.

“Thank you for the ways you invest in the lives of others. We appreciate your ministry and have been blessed, challenged and encouraged by the many resources you have available online, in CDs, DVDs, and in books. God bless you.”

Have you availed yourself of one of our 40 website listings? We have had over 200,000 viewers from 180 countries. You will find a full range of videos on warfare, prayer, how to develop a life of prayer, marriage, children and other life related issues plus a section of devotionals.

Our resources have been gathered over 50 years of ministry and include over 1500 pages.

- Spiritual warfare notebook - 760 pages gathered from 600 books with a 6 page index listing the 9 categories, with each article titled for easy reference. Download it to draw from it.
- Prayer and deeper life notebook - 705 pages gathered from 1500 books, 6 page index listing 14 major sections with each article listed for easy reference. You can download all of it.
- Articles in Spanish and French.
- 220 videos with over 200 hours of viewing.
- Audios with 150 hours of listening.
- Podcasts with 100 hours of listening.

These resources are available on 40 different websites including our own. Check us out at [biblicalrestorationministries.org](http://biblicalrestorationministries.org).

God has used our media outreach far beyond what we ever thought possible under the supervision of Rev. Paul Jordan.

Your prayers and giving are making this outreach possible. May you experience God's blessings.
