

*Dear Lord, we claim again the joy we need to overcome our sins and sorrows and the thorns which infest our ground.*

*And do Make Your blessings flow to wherever any curse or curses may be found.*

*In Your Name, O Lord, and by Your power, we break all curses directed at us or our loved ones.*

*We record them this day as broken.*

*And neutralized.*

*And banished.*

*And may we all now go out and prevail as far as the curse is found.*

*In Jesus' strong and all-prevailing name we pray. Amen.*
